JUNE 2025

26

THURSDAY

IN COLLABORATION WITH:

## Warmest Greetings from Malaysia Debt Ventures Berhad (MDV)!

Join us for an exclusive funding session designed for industrial and commercial users, registered EESCO & ECCPV (GC) in Sabah who are looking to expand and scale their business operations. Discover a variety of financing options offered by MDV, a funding agency under the Ministry of Science, Technology & Innovation (MOSTI), to support your business growth.

### Why you should attend?

- **Discover innovative funding solutions** that are tailored to your contract/project needs and are available for different phases of business, from start-up to expansion stage.
- **Explore specialised funding programmes** ICT, Green Technology, and Emerging Technology.
- **A Platform to exchange insights**, explore collaborations and strengthen business opportunities between industry players and financier.

### Who should attend?

- Chairman, C-Suites.
- CFOs, Head of Finance Division, Head of Procurement.
- Tech start-ups, entrepreneurs and business owners/founders.
