ECoS Monitors Sabah Electricity's Readiness Ahead of the 2025 Sabah State Election

KOTA KINABALU, 27 November 2025 – The Energy Commission of Sabah (ECoS), together with Sabah Electricity (SE), conducted visits to the Official Vote Tallying Centres at Dewan Sri Putatan, Dewan Kebudayaan Penampang, Dewan Hasil LHDN Kota Kinabalu, and Dewan MAKSAK Likas.

According to ECoS Chief Executive Officer, Datuk Ir. Abdul Nasser Abdul Wahid, the purpose of the visit was to review the preparations and contingency plans put in place by SE to ensure continuous electricity supply at the centres. SE will provide mobile generators and deploy technical teams at all centres throughout the State of Sabah.

Additionally, SE will also activate Operations Rooms (*Bilik Gerakan*) in all districts and at its Headquarters. ECoS officers will be stationed at the Sabah Electricity Headquarters Operations Room to jointly monitor the electricity supply situation throughout polling day until the vote counting process is completed.

About ECoS

The Energy Commission of Sabah (ECoS) is a statutory body established by the State Government of Sabah since 10th January 2023. It operates as the regulator for the energy sector within the Chief Minister's portfolio. The primary objectives of ECoS are to ensure secure, sustainable, affordable, and accessible energy for the State of Sabah. ECoS plays a pivotal role in shaping Sabah's energy landscape, promoting responsible energy practices, and safeguarding the interests of both consumers and the environment.
